1. Aims

Our SEND policy aims to:

- Set out how Engage Academy will support and make provision for pupils with special educational needs and disabilities (SEND);
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND.

Engage Academy provides provision in EYFS, KS1 and KS2 in order to support children with social, emotional & mental health (SEMH) needs. Engage Academy also work closely with Ethos Academy Trust Outreach team as well as Reach Academy to support pupils to remain successfully engaged in their mainstream setting or as part of transition to alternative provision or specialist setting.

Graduated and personalised interventions contribute to the positive outcomes for children and young people. Engage Academy is committed to the promotion of inclusive support, raising standards for children with SEMH needs and improving their life chances. Engage Academy values the abilities and achievements of all its pupils and is committed to providing, for each pupil, the best possible environment and opportunities for learning through classroom-based and personalised interventions.

2. Legislation and guidance

This policy is based on the statutory **Special Educational Needs and Disability Code of Practice: 0-25**, and the following legislation:

- **Part 3 of the Children and Families Act 2014**, which sets out schools' responsibilities for pupils with SEND and disabilities;
- **The Special Educational Needs and Disability Regulations 2014**, which set out schools' responsibilities for education, health and care (EHC) plans, SEND coordinators (SENDCOs) and the SEND information report.
- The Equality Act 2010, is a law which protects from discrimination or unfair treatment on the basis of certain characteristics such as disability.

This policy also complies with our funding agreement and articles of association.

3. Definitions

A pupil has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for them.

They have a learning difficulty or disability if they have:

- A significantly greater difficulty in learning than the majority of others of the same age; or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools.

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.
